## Year I – Where We Live

	National curriculum aims	National Curriculum objective(s)	Success criteria	Project work	Tier 2 Vocabulary	Tier 3 Vocabulary	Links to previous and future learning
History	<ul> <li>know and understand the history of these islands as a coherent, chronological narrative, from the earliest times to the present day: how people's lives have shaped</li> <li>understand historical concepts such as continuity and change, cause and consequence, similarity, difference and significance, and use them to make connections, draw contrasts, analyse trends, frame historically-valid questions and create their own structured accounts, including written narratives and analyses</li> <li>understand the methods of historical enquiry, including how evidence is used rigorously to make historical claims, and discern how and why contrasting arguments and interpretations of the past have been constructed</li> </ul>	- Learn about significant historical events, people and places in their own locality.	<ul> <li>I can order special events in my own lifetime.</li> <li>I can demonstrate my understanding of a local pottery designer and her impact on the city of Stoke-on-Trent.</li> <li>I can recall 3 facts about Emma Bailey. (She worked at Wedgewood Pottery for 16 years, she started her pottery company in 2010, her shop is in Middleport (Stoke-on-Trent)</li> </ul>	<ul> <li>Create our own timeline from when you were born to present day.</li> <li>Create a bottle kiln profile on Emma Bailey, demonstrating 3 key facts (She worked at Wedgewood Pottery for 16 years, she started her pottery company in 2010, her shop is in Middleport (Stoke-on-Trent)</li> <li>Create a large version for display – individual bricks.</li> <li>Record on timeline display.</li> </ul>	<ul> <li>Pottery</li> <li>Designer</li> <li>Pattern</li> <li>Factory</li> <li>Local</li> <li>Events</li> <li>Special</li> </ul>	<ul> <li>Bottle kiln</li> <li>Emma Bailey</li> <li>Glaze</li> <li>Slip</li> <li>Chronology</li> <li>Timeline</li> </ul>	History of own lives and discussing previous birthdays and celebrations
Geography	<ul> <li>past have been constructed</li> <li>develop contextual knowledge of the location of globally significant places – both terrestrial and marine – including their defining physical and human characteristics and how these provide a geographical context for understanding the actions of processes</li> <li>understand the processes that give rise to key physical and human geographical features of the world, how these are interdependent and how they bring about spatial variation and change over time</li> <li>are competent in the geographical skills needed to collect, analyse and communicate with a range of data gathered through experiences of fieldwork that deepen their understanding of geographical processes</li> <li>communicate geographical information in a variety of ways, including through maps, numerical and quantitative skills and writing at length.</li> </ul>	<ul> <li>Recognise features on aerial photos and plans; devise a map with symbols and key. Study the geography of the school and it's grounds.</li> <li>Use basic geographical vocabulary to refer to: key physical and human features (refer to Curriculum)</li> </ul>	<ul> <li>I can name and sort physical and human features (field, tree, shop, house)</li> <li>I can use aerial photographs to identify a human and physical feature in our city (Park Hall and Weston Infant Academy).</li> <li>I can find the school on a map.</li> <li>I can name the city and town that I live in (Stoke-on-Trent, Longton/Weston Coyney/Bentilee)</li> </ul>	<ul> <li>Find and locate our school on an aerial photograph including the surrounding area. Children to identify human and physical features on the map.</li> <li>Create a map of the school and the classroom.</li> <li>Field trip to park hall and record weather / use a simple map. (linked to human and physical features)</li> </ul>	<ul> <li>Maps</li> <li>Photographs</li> <li>City</li> <li>Town</li> <li>Field</li> <li>Shop</li> <li>House</li> <li>Trees</li> </ul>	<ul> <li>Burslem</li> <li>Stoke</li> <li>Hanley</li> <li>Tunstall</li> <li>Fenton</li> <li>Longton</li> <li>Stoke-on-Trent</li> <li>Physical features</li> <li>Human features</li> </ul>	

•produce creative work, exploring their ideas and recording their	• Use a range of materials	• I can sculpt an identifiable bottle kiln from clay	• Use form and shape to create a clay	• Line
experiences •become proficient in drawing, painting, sculpture and other art, craft and design techniques •evaluate and analyse creative works using the language of art, craft and design •know about great artists, craft makers and designers, and understand the historical and cultural development of their art forms.	<ul> <li>creatively to design and make products.</li> <li>Use drawing, painting, and sculpture to develop and share their ideas, experiences and imagination.</li> <li>To use wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.</li> <li>Learn about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines and making links to their own work.</li> </ul>	<ul> <li>using moulding with hands.</li> <li>I can describe the techniques used by Emma Bailey (line, colour, paint)</li> <li>I can explore different types of colour, inspired by the work of Emma Bailey (bright, primary colours)</li> <li>I can explore different types of line inspired by the work of Emma Bailey (thin, thick, curved, straight)</li> <li>I can create a piece of artwork in the style of Emma Bailey.</li> <li>I can use a continuous line to create the shape of an object.</li> </ul>	<ul> <li>bottle kiln.</li> <li>Look at Emma Bailey designs and discuss the key features (bright colours, different line styles)</li> <li>Explore creating straight lines (with a ruler), curved lines, thick lines and thin lines.</li> <li>Explore colour using primary coloured paints.</li> <li>Create a piece of artwork inspired by Emma Bailey, using bright colours and different types of lines.</li> <li>Continue to look at line and create a drawing using one continuous line.</li> </ul>	<ul> <li>Colour</li> <li>Shape</li> <li>Artist</li> <li>Straight</li> <li>Thick</li> <li>Thin</li> <li>Bright</li> <li>Curved</li> <li>Diagonal</li> </ul>
<ul> <li>develop the creative, technical and practical expertise needed to perform everyday tasks confidently and to participate successfully in an increasingly technological world</li> <li>build and apply a repertoire of knowledge, understanding and skills in order to design and make high-quality prototypes and products for a wide range of users</li> <li>critique, evaluate and test their ideas and products and the work of others understand and apply the principles of nutrition and learn how to cook.</li> </ul>	<ul> <li>Design - Design purposeful, functional, appealing products for themselves and other users based on design criteria.</li> <li>Make - Select from and use a range of tools and equipment to perform practical tasks (e.g. cutting, shaping, joining and finishing).</li> <li>Select from and use a wide range of materials and components, including construction materials, textiles, and ingredients, according to their characteristics.</li> <li>Evaluate - Explore and evaluate a range of products and ideas.</li> <li>Technical knowledge - Build structures, exploring how they can be made stronger, stiffer and more stable.</li> <li>Explore and use mechanisms (e.g. levers, sliders, wheels and axles)</li> </ul>	<ul> <li>I can say how Emma Bailey has influenced my design.</li> <li>I can design and make a cup in the style of Emma Bailey.</li> <li>I can uplevel my design using feedback from a friend.</li> <li>I can use my design to decorate a piece of pottery.</li> <li>I can name 3 fruit.</li> <li>I can name 3 vegetables.</li> <li>I can evaluate my design.</li> </ul>	<ul> <li>Learn about the work of Emma Bailey (see <b>History</b>)</li> <li>Design, make and evaluate a piece of pottery in the style of Emma Bailey (using peer feedback to up level design)</li> <li>Learn about fruit and vegetables. Identifying and choosing the best tasting to use in a smoothie.</li> <li>To design, make and evaluate my own smoothie.)</li> </ul>	<ul> <li>Design</li> <li>Make</li> <li>Pattern</li> <li>Colour</li> <li>Space</li> <li>Fruit</li> <li>Vegetables</li> <li>Smoothie</li> </ul>
	<ul> <li>painting, sculpture and other art, craft and design techniques</li> <li>•evaluate and analyse creative works using the language of art, craft and design</li> <li>•know about great artists, craft makers and designers, and understand the historical and cultural development of their art forms.</li> <li>develop the creative, technical and practical expertise needed to perform everyday tasks confidently and to participate successfully in an increasingly technological world</li> <li>build and apply a repertoire of knowledge, understanding and skills in order to design and make high-quality prototypes and products for a wide range of users</li> <li>critique, evaluate and test their ideas and products and the work of others understand and apply the principles of nutrition and</li> </ul>	<ul> <li>bills and apply a repertoire of knowledge, understanding and skills in order to design and practical expertise needed to perform everyday tasks confidently and to participate successfully in an increasingly technological world</li> <li>build and apply a repertoire of knowledge, understanding and skills in order to design and make high-quality prototypes and products for a wide range of mutrition and learn how to cook.</li> <li><b>Evaluate</b> - Explore and est or making links to their and use a conditional and components, including construction materials, textiles, and ingredients, acccording to their and be work of others understanding and skills.</li> <li><b>Televeluge</b> for users</li> <li><b>Critique</b>, evaluate and test their ideas and products for a wide range of materials and components, including construction materials, textiles, and ingredients, acccording to their and be stronger, stiffer and more stable.</li> <li><b>Evaluate</b> - Explore and estronger, stiffer and more stable.</li> <li><b>Evaluate</b> - Seloct, store and se made stronger, stiffer and more stable.</li> <li><b>Evaluate</b> - Explore and estronger, stiffer and more stable.</li> </ul>	<ul> <li>binding: sculpure and other art, crift and design revaluate and analyte creative, works using the language of art, trikrow about great artist, craft makers and designers, and understand the likes/craft and guitural development of their art forms.</li> <li>develop the creative, technical and practical experison enedded to perform everyday tasks confidently and to participate successfully in an increasingly technological world</li> <li>develop the creative, technical and apply a increasingly technological world</li> <li>develop the creative, technical and practical expersion needed to perform everyday tasks confidently and to participate successfully in an increasingly technological world</li> <li>Make - Select from and use a range of trusts, including construction materials, textifies, and happedients, including construction and learn how to cook.</li> <li>Evaluate - Explore and evaluate a range of products and the work of their and products for a wide range of users</li> <li>Evaluate - Explore and evaluate a range of products and the work of their and products for a wide range of users</li> <li>Evaluate - Explore and evaluate a range of products and the work of chars understanding and skills in characteristics.</li> <li>Evaluate - Explore and evaluate a range of products and the work of chars understand and apply the principles of nurrition and learn how to cook.</li> <li>Evaluate - Explore and evaluate a range of products and the work of thers and products for a wide range of users</li> <li>Evaluate - Explore and evaluate a range of products and the work of chars understand and apply the principles of nurrition and learn how to cook.</li> <li>Evaluate - Explore and evaluate a range of products and the work of thers and products for a wide range of users (e.g. levers, skiders, wheels and be work of thers and the work of chars understand index, wheels and the work of thers and the work of thers</li></ul>	<ul> <li>Jean diagno scalpure and other art and design scalpure to develop and harre indergeners and infrarmation.</li> <li>Use drawing, painting, and scalpure to develop and harre indergeners and infrarmation.</li> <li>To use vide range of art and design control. To use vide range of art and design techniques in using colour, appreciation and design techniques in using colour, appreciations and the work of a mange of the creative.</li> <li>Lear about the work of a designers, describing the difference scale and making links to their own work.</li> <li>Design. Design purposeful, and designers, describing the difference and making indices and design cruteria.</li> <li>Make - Select from and use a wide range of tools and equipment to perform everyaly tasis confinentials, texture, indices, and indicating.</li> <li>Make - Select from and use a wide range of tools and equipment to perform everyaly tasis and the work of arma daigen.</li> <li>Select from and use a wide range of tools and equipment to perform everyaly tasis and products and products for a wide and products and products for there scale.</li> <li>Frequence and apply a make and products and products and products on a direct arrange of products and the work of other area of the vork of other</li></ul>
